KUSHAL D J

Problem Solving Skills || Java || Web Developer || AWS Solution Architect

I am proud to say I have built my skills in problem-solving and upskilled in Java language, and web building and hoisting in AWS. I have completed more than 300+ questions in leetcode and HackerRank. I have received 5 star in HackerRank Java.

EXPERIENCE

AWS Certified Solutions Architect — Associate

My Externship program in AWS Solution Architecture. Where I got experience across a wide range of AWS services, and also get experienced in learning DevOps part. I have an AWS Certificate which is valid for 3 years.

DevTown, — *Internship Training Program*

Here I worked under a freelancer and did many web development project and hoisted using AWS.

- Created and hoisted DOLCE a online ice-cream ordering website and built app in Mobile Application Development.
- Made clone project of Hotstar & MakeMyTrip.
- Created a website for Ticket Booking and Book-management.
- Created my portfolio and hoisted online.

EDUCATION

Vellore Institute of Technology -- Amaravati *B.Tech(Computer Science Core)*
SEPTEMBER 2020 - Present

As a Proud Student of VIT pursuing my B.tech degree in Computer Science with a **CGPA of 8.31**. I have also extended my knowledge in the categories mentioned in skills. I am a developer in the OS club too. I worked on many projects to upskill my ability in College.

Jawahar Navodaya Vidyalaya — Chikkamagalur
SEPTEMBER 2013 – March 2020

As a student with good Academics and Logical Thinking, I got into one of the best Schools in the country. JNV was built to give the best education to talented Rural kids. I developed my overall skills in JNV and I'm proud to say I got **92%** in class 12th CBSE Board and **88.8%** in class 10th CBSE Board.
